New Calacatta Cressa Mosaics

Collection

Arabesque Honed

About The Product

Classic and contemporary all at once, our new Calacatta Cressa Collection is nothing short of trend-setting. Crafted from gorgeous white marble with gray veins, this collection features several distinctive mosaics and wall tiles, including hexagon, large format subway, and leaf pattern, as well as stacked stone.

Already emerging as a designer favorite, Calacatta Cressa is ideal for kitchen and bath backsplashes, shower surrounds, accent walls, flooring, and more. Use these tiles alone, in tandem with others from the collection, or pair with any number of complementary marble countertops. The possibilities are endless!
